

Closure Planned This Weekend For SB I-805 Ramp To Bonita Road

The southbound Interstate 805 off-ramp to Bonita Road will be closed this weekend, according to the California Department of Transportation (Caltrans).

The ramp will be closed from Friday at 9 p.m. through Monday at 5 a.m. and a detour will be in place (see map). Motorists will be detoured to the East H Street off-ramp, then head east on East H Street to the northbound I-805 East H Street on-ramp to the northbound Bonita Road off-ramp. Caltrans is placing electronic signs north of the Bonita Road off-ramp to notify motorists of the closure. Area businesses will be open during normal work hours and motorists are advised to allow extra time for the detour.

Caltrans opted for the weekend closure as opposed to closing the ramp during the weekday commute. Construction crews will be pouring concrete as part of the I-805 Southbound Auxiliary Lane Project, scheduled for completion later this year.

Please contact the Caltrans Public Information Office at (619) 688-6670 if you have additional questions. Please remember to Slow For The Cone Zone.
